All areas	Councillor Dave Hawley	Wednesday 2 <sup>nd</sup> December @ 7pm - Town Hall – Biddulph area

The Town Council has started the process of preparing a Biddulph Neighbourhood Plan to cover the existing five wards of Biddulph, keeping to the parish boundary. Neighbourhood Plans help local communities influence planning in the area in which they live/work and are based on local rather than strategic issues. Their purpose is to guide development.

Interested members of the public are invited to attend a series of workshops (*dates above*), organised by the Residents' Associations within their wards. Members of the public wishing to offer their skills and expertise to assist with the process will be very welcome to sit on the Steering Group and to help with the production of the Biddulph Neighbourhood Plan.

These meetings should also help to answer some of the questions that residents have raised following the recent publication of the future housing allocation sites.
