Councillor Smith considered the management of a piece of land. The Chief Officer suggested it be added to the agenda for the Recreation and Amenities Committee.

14. TO RECEIVE AN UPDATE ON BIDDULPH PLANNING APPLICATIONS WHERE THERE HAS BEEN REFERENCE TO THE NEIGHBOURHOOD PLAN

Chief Officer tabled a document that demonstrated that in all the planning decisions that had been made by the District Council since the Plan was made, there was no reference to the Neighbourhood Plan. This had been considered since the training with Urban Vision. There had been a suggestion that the Town Council should write to the District Council, noting our disappointment.

Proposed by Councillor Garvey; seconded by Councillor Salt. All agreed.

Councillor Jones agreed we should write, and suggested Councillor Garvey should also raise the issue at District Council. Councillor Garvey agreed and suggested an amendment to the original proposal; seconded by Councillor Salt and all voted to agree the additional action.

|-------------------------------|---|---|--|--|---|
| SMD/2024/0154 | Rock End Stables, New Street, Biddulph Moor, Staffordshire, ST8 7NW | Proposed new access, parking area and extension to existing stable for agricultural storage | Recommend Approval subject to non-contravention of greenbelt, no objections from Highways and there are no neighbours valid planning concerns. | Planning Permission - Refused 31/5/2024 | The development would be inappropriate and, by definition, harmful to the Green Belt. The development would lead to prominent intrusion into the countryside and be harmful to the character and appearance of the area. It would fail to respect or enhance local landscape character. It is considered that the proposals are unsustainable and do not conform with the provisions of the NPPF. It is considered that the applicant is unable to overcome such principle concerns and thus no amendments to the application were requested. |

Notices and decisions were received.
