It's been another busy few weeks.

We organised the Mayor's Civic Service, with guests from local community groups and visiting towns. We also hosted our first Prayer Breakfast with the members of Churches Together ST8.

We have also been working hard on our new sculpture at Station Road, which includes mosaic tiles made by members of our community. We can't wait for you to

see it!

We have started 'Biddulph Scratch', a monthly cinema session named after the fondly remembered Biddulph Palace Cinema, operating from 1910 to the 1960s. On the first Friday of each month, we will show a mixture of blockbusters and British independent films. The next showings are Friday 2 August and Friday 6 September.

We love being involved in the Biddulph Festival and supporting the activities both within the Town Hall and across the rest of the town. During the next few weeks, we will be busy with Town Council events. We're delighted that the first 'Biddulph's Got Soul' event is sold out. There will be a Family Cinema
