Listed Building Consent - Refused 15/7/2024	<p>The proposed work, as presented in the application, would involve the replacement of original parts of the roof structure and the rebuilding of existing walls. There is no justification for the extent of such work and it would risk the entire collapse of the building. The proposal would fail to preserve the special interest of the listed building contrary to Section 16 (2) of the Planning (Listed Buildings and Conservation Area) Act 1990 and it would cause substantial harm to the significance of the designated heritage asset without obvious public benefit.
