Happy New Year! We are very much looking forward to working with you in 2025. We have lots of exciting events and updates in this issue.

For the first time, we organised a Chinese New Year celebration in the town centre on Saturday 25 January with a Chinese dragon, lion, traditional Chinese music and an opportunity to sample some beautiful food.

Our free cinema sessions have been organised for the next few months. The first Friday of the month is Biddulph Scratch when we can look forward to 'Trap' on 7 February and 'It Ends With Us' on 7 March. Feast and Flicks is

our community dementia friendly cinema offering. Join us for a light lunch and a relaxed film showing on Wednesday 12 February and Wednesday 12 March. You can also expect a Family Film in February half term.

The sensational Dan Budd is coming to Biddulph Town Hall on Saturday 22 February. Dan is a Robbie Williams tribute act and is performing in aid of the Mayor's Charities. Our Mayor is also having his Civic Ball On Friday 25 April 2025. Tickets for both events are available from the Town Hall reception.

Our final free Mental Health First Aid session is on Saturday 8 February. Book your place at the Town Hall and learn how to help your community.

At the Town Hall, we work hard to support people in our community. Don't forget about the 'Biddulph Works Together' free food and warm spaces sessions. Also, have to enquired whether you are eligible for the Household Support Fund. If you're struggling at the moment, you may be able to access additional support. This is only open until the end of March. It doesn't hurt to ask.

Finally, we're really pleased to tell you that the Town Hall frontage development project will start at the end of February. Thanks to all those who completed the applications for a sponsored brick. These are on order, and we can't wait to see them installed Watch this space for further updates.
