

Local council land and assets

Requirement: Larger local councils must publish details of all land and building assets including:

- service and office properties
- all properties owned or used e.g. garages and depots
- surplus, sublet or vacant properties
- undeveloped land
- temporary offices where occupation exceeds three months
- future commitments, for example under an agreement for lease.

For each land or building asset, information must be published that identifies the location of the asset, provides details about whether this is freehold or if the council has a lease for the asset, and whether the land is with/ without a permanent building.
