### 25. MINUTES

The Minutes of the Planning Committee meeting held on Tuesday 16 July 2019 were **signed** as an accurate record. The recommendations from the informal meeting held on 22 August 2019 were **received**; these had been received at the September Town Council meeting.

### 26. BIDDULPH NEIGHBOURHOOD PLAN

The Minutes of the Neighbourhood Plan Working Group meetings held on 3 July 2019 and 22 August 2019 were **received**.

The Chief Officer noted that the Regulation 14 consultation on the Neighbourhood Plan and Neighbourhood Development Order would commence on 23 September 2019. The Local Plan consultation on the Main Modifications had started on 18 September; this was unfortunate.

Councillor Redfern noted that the Wharf Road and Tunstall Road masterplan recommendations had been released; Councillor Redfern was not clear whether this had been included in the Main Modifications.

### 27. TO RECEIVE AN UPDATE ON PROGRESS AT UPLANDS MILL

Councillor Garvey updated members initially there had been clear improvements at the site, but progress appeared to have stalled over the past six weeks. The path had been

completed and the bins were emptied. However, further work on the road and additional paths had not been finished and the area looked messy again. Health and safety considerations had not been undertaken. This was disappointing. Councillor Garvey had written to Barry Herrod at Bovis again and would update the Committee when he heard back.

It was agreed that the Committee would write formally to Bovis, if there was no further progress. This should be received by Friday.

Councillor Jones wanted to record the Committees thanks; Councillor Garvey is a new Councillor and has made good progress.

Councillor Smith was concerned that the balancing pond is an accident waiting to happen.

Councillor Davies noted that the Bovis site in Congleton also appeared to be having the same issue; perhaps there was merit to joining forces.
