

## Local Green Space Designations- rationale for inclusion

Following the Regulation 14 consultation, the Neighbourhood Plan Working Group reviewed all of the proposed Local Green Space Designations. The table below is provided to show a clear rationale for inclusion and to demonstrate the diversity of spaces included. This document will support the Regulation 16 consultation process.

Site number	Mapped as part of Wildlife Corridor	Open space within built up areas (community value)	Recreational value	Heritage value	Maintained by Biddulph in Bloom or another local group	Current SMDC Local Green Space
1 - Humber Drive Community Space		X	X
