

Site	Corner of Craigside & Station Road
Grid Reference / Post Code	SJ883 579
Brief Description	<p>This triangular plot has been planted with 7 oak trees, which have been protected with decorative cages. This is a grassy area with seating.</p> <p>This site is maintained by Biddulph in Bloom. In 2019, Biddulph in Bloom won Gold in the RHS Britain in Bloom competition and was the winner of the Large Town category.</p> <p>This competition is a powerful tool for building communities and tackling local issues. The judging process is rigorous, against a comprehensive set of criteria.</p> <p>Biddulph in Bloom areas were judged as having conservation and biodiversity benefits, being supportive of local heritage and demonstrating significant community participation, all of which are transferable to the Local Green Space criteria.</p>

Criteria.		
Location <i>In reasonably close proximity to the community it serves</i>	√	A triangular plot on the junction of Craig Side, Station Road and A527 (Meadows Way).
Local Significance <i>Demonstrably special to a local community and holds a particular local significance, for example because of its beauty, historic significance, recreational value (including as a playing field), tranquility or richness of its wildlife.</i>	√	This work has been being carried out on a voluntary basis by the people of the town for more than 20 years. It is hugely valued by the people of the town and its visitors. This work is carried out throughout the year. This spot in particular provides a green break on what is often a busy bypass road.
Size, Scale <i>Local in character and is not an extensive tract of land.</i>	√	Triangular plot the size of a tennis court.
Recommendation	√	Suitable for Local Green Space Designation
