

# Biddulph Town Council Update

Contact details: call 01782 498480 or email [office@biddulph-tc.gov.uk](mailto:office@biddulph-tc.gov.uk)

We also add regular updates to our Facebook page: 'Biddulph Town Council' or X 'BiddulphTC'.

We're delighted to see the return of some warmth and the lighter nights.

We have a full programme of events planned for 2025.

Our usual film offerings are taking place throughout the year.

The first Friday of the month is Biddulph Scratch. This is a free movie night showing either a recent blockbuster or a British/ independent film.

Feast and Flicks is our community dementia friendly cinema offering. Join us for a light lunch and a relaxed film showing on Wednesday 9 May and Wednesday 14 June.

You can also expect a Family Film during the Easter holidays.

We have included some adverts

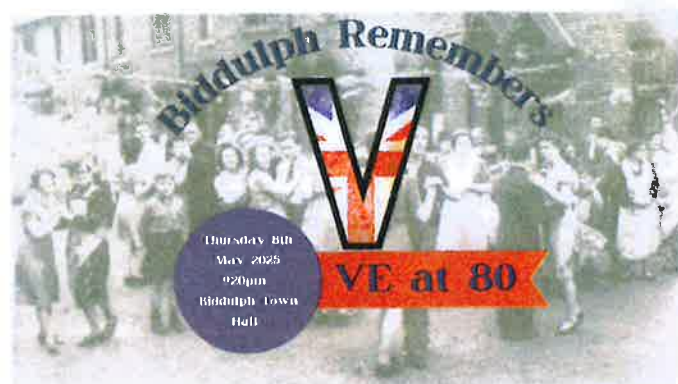

for events later in the year too. Please keep an eye out for more information soon.

We are particularly looking forward to the Home Grown and Homemade event in September. If you are a grower, now is the time to think about the biggest marrow or the longest carrot! There will also be displays of flowers and food competitions.

We are also working on a number of exciting projects.

For those who have been into the town centre, you'll see that the frontage project has commenced.

We are also working with the Nature in

your Neighbourhood team at Staffordshire Wildlife Trust. It's focus is to support communities in the Staffordshire Moorlands to improve green spaces where they live and monitor habitat health. They are already working with teams from the Biddulph Grange Country Park and Newpool Meadows. We're keen to enhance a number of other sites too, and would be really grateful for any volunteers to help us do this: the Butterfly Garden on Tunstall Road, Briarswood Green Space, Springfield Road (top, and surrounding area) and the area between Dorset Drive and Craigside. Please get in touch if you are interested in being part of this project.

After the adoption of the Neighbourhood Plan, we are continuing to meet

and consider development activity. We now use the Plan when we consider all planning applications in the town. If you'd like to get involved with this working group, please do get in touch.

We have launched a project called Chain Reaction with partners from the Library, Repair Cafes, County Council Waste Minimisation, Support Staffordshire and Biddulph Youth and Community Zone. There will be a year of bike-related activities, and we're hoping to find homes for bikes that are at the local recycling centres. If you love cycling, and would like to be involved, come along to our first event on Saturday 12 April at Biddulph Library.

Useful Information: Here are the telephone numbers of other Councils in the area:  
Staffs Moorlands District (Council Tax, bins, Environmental Health) 0345 605 3010  
Staffs County Council (Highways, Social Services, Libraries) 0300 111 8000
