The Space scheme is funded and coordinated by the Staffordshire Police, Fire and Rescue, Crime Commissioner's Office to provide an opportunity for Staffordshire Police and partners to engage with young people who may be going through a difficult time to help nurture, support, and develop them.

By bringing together public, voluntary, and private sector organisations Space can offer support to 8-17 year-olds to help increase their skills, improve their health and well-being, and create opportunities, while also aiming to reduce levels of anti-social behaviour.

Hundreds of activities take place each year including raft building, swimming, gym sessions, survival skill training, wildlife experiences, and kayaking. We hope you find an activity to enjoy!

Vibes is the holiday club run by St. Lawrence's Church for school-age children up to the end of Year 8. If you've grown up in Biddulph there's a good chance you attended it as a child as it started in 1965!! It's seen all sorts of changes over the years, and this year is no exception.

The theme this year is 'Live it Out!'. We're transforming our space into a 'summer camp' and hoping the sun will shine as we explore how following God helps us love and care for each other.

There'll be crafts, games, songs, and stories from the Bible on Monday-Thursday and a chance for the whole family to get together as the camp celebrate on Friday.

Children must be accompanied by an adult on the Friday (note the slightly different times) but are left with us in their groups Monday-Thursday.

Spaces are limited according to age-group, all tickets cost £25 for the week and bookings close on 27 July 2025.

For further information contact:

We know that anyone can find themselves at crisis points for a number of different reasons.

In order to provide the most appropriate help for your situation we work with a variety of local agencies. In Biddulph, you can contact Biddulph Town Hall. If they feel you are struggling to put food on the table, they will issue you with a foodbank voucher.

The local foodbank can also provide long-term support if needed to help address some of the issues behind the reasons for your crisis.

Our foodbank works with several different agencies, such as Money Advice, Citizens Advice, Family Hub, and Health Visitors.

When you visit or call the Town Hall they will take some basic details from you to complete the voucher.

This will help them to identify the cause of your crisis and offer practical guidance. It also means we are able to prepare suitable emergency food for the right number of people.
