Rotary Club of Biddulph

Description: Biddulph Rotary are a local club that helps others in our community, and we have fun in the process. If you're looking for fun and fellowship, and the opportunity to help others then have a chat.

Rotary is a global and local humanitarian organisation—that said we get huge amounts of happiness from just helping others locally.

We get involved with many local projects including Santa's sleigh at Christmas, youth projects with local schools, including a speaker competition that helps to develop young minds in the art of public speaking.

Our latest project is to promote volunteering. We are able to apply for grants and use funds in a positive way.

People of all walks of life, have decided to help others, with Rotary you can find support to undertake projects that are close to your heart, indeed if you have a plan then we can help you to develop it.

So if you have a project that you would like to get started on, and would like the support of other like minded people then give our Secretary, Ailsa Clewlow a call, her number is below.

Rotarians meet regularly to get things organised, and we suggest you go along for a chat and see if Rotary is for you.

Being part of an international organisation that has huge resources, really can help you make a difference, in whatever you decide to do.

Meet at The Egerton Arms, Astbury on the 2nd and 4th Monday of the month.
