We're delighted to wish you a very happy 2026, and we're looking forward to working with you this year.

Thank you so much to everyone who contributed to the amazing Christmas Lights Switch On in Biddulph. We are very lucky to have such a wide range of talented groups and organisations in the area; there were

so many fabulous concerts and events in the run up to Christmas. Well done to you all.

Don't forget, during these colder months there are lots of opportunities to meet new people in warm spaces, with free food. You can collect the Biddulph Works Together leaflet from the Town Hall or go online: <https://biddulph.co.uk/biddulph-works-together/>

Wednesday of the month, and returns on Wednesday 11 February. There's no need to book for either of these events, but if you're joining us for Feast and

Flicks, it would be helpful to know if you have any allergies.

We're delighted to be celebrating Chinese New Year again this year. Activities will take place at the Town Hall on Saturday 14 February. We're delighted that OUTSIDE are supporting a number of groups to design and build a dragon over the course of the next few weeks. We can't wait to see what this looks like when it's complete!

On Saturday 28 February we're celebrating the incredible volunteers in the town at the Civic Awards 'Thank You' Afternoon Tea.

We're changing the deadline for our grants scheme this year. To coincide with the Annual Town Meeting, we're bringing the deadline forward. Application forms will be available at the end of January.

We are really looking forward to the new 'Board in Biddulph' board game café. This will start on Tuesday 27 January, 6- 9.30pm in the Town Hall, and take place on the fourth Tuesday of each month. There will be free tea and cake and the opportunity to spend the evening with like-minded folks! Under 16s are welcome, but should be accompanied by an adult. We have access to a wide range of games, but we'll grow this as we understand what people want.

Looking forward, we're organising lots of bike-based activities for the Spring as part of the Chain Reaction project. Watch this space!

Following the Annual Town Meeting, we would like professionals to present to the Town Council by Friday 17 April 2026 for consideration by the Mayor of Sneydy and Management Committee.

We would like you to be involved in the Annual Town Meeting in May, we can then advise information about this too.

You can find out more about the grants programme at <https://biddulph.co.uk/grant-awards-scheme/>

Application forms will be available at the end of January 2026.
