This is one of our favourite times of year- the sun is on its way and there is lots to look forward to over the coming months.

Since our last update, we've held our second Chinese New Year and had the opportunity to thank our amaz-

offer a warm lunch and then a film; this is a relaxed environment.

There's no need to book for either of these activities, but if you're joining us for 'Feast and Flicks', it would be helpful to know if you have any allergies.

ing volunteer partners at the Civic Awards and Volunteer Recognition event. It's been a lovely start to 2026.

We continue to offer free cinema sessions on the first Friday of the month. The next 'Biddulph Scratch' session is Friday 1st May (there's no April session due to the Easter break).

You are also invited to attend 'Feast and Flicks', which is on the second Wednesday of the month. The next one is Wednesday 8 April, and then Wednesday 12 May. We

The Town Hall is 60 this year; the official opening was in May 1966. If you have any photos or memories from the opening or around that time, please share these. We would love to hold an exhibition in the Town Hall to celebrate the work that that has been going on here over the past 60 years.

Don't forget, the deadline date for the grants scheme is different this year. The deadline is Friday 17 April. The information is here: <https://biddulph.co.uk/grant-awards-schemes/> We are hoping to link the grant-giving with the annual meetings in May. This will be a lovely opportunity to

celebrate the amazing work that goes on in the town. Each year we give over £70,000 to partners to support their work within the community.

Our new project, 'Board in Biddulph' proved to be really well attended! We'll be carrying on with this throughout the year. This is a table-top board game café, with free food and lots of different games to play. The dates for the coming sessions are: Tuesday 24 March, 28 April and 26 May.

We'll have another pre-loved bike sale on Saturday 6 June in the Town Hall. This is a 'Chain Reaction' project. Bikes have been donated to the recycling centres across Staffordshire, and they are available to you for a very small donation. These funds are then used to support bike projects locally.
