

Biddulph Town Council ANNUAL REPORT

2025-26

Mayor's Review of the Town Council's year 2025-26

My detailed reports presented to Town Council at each monthly meeting described events which I had the pleasure of attending. This is one reason why I won't be mentioning all the details here. The other reason is that to do so would present me with a dilemma: which organisations to mention by name and which not. In Biddulph we are very fortunate to have such a wealth of volunteers in our town, and all are worthy of recognition whether or not they invited the Mayor to attend one of their events.

I will now attempt to put these events into several categories:

Firstly, there are the more formal Civic events held in the town and those which involved the Town Council in helping them to take place, such as: the Mayor's Civic church service, Remembrance Day, the Biddulph Festival launch, the Christmas lights switch on.

Then, there are others organised by the voluntary groups themselves. In particular these include many events held during the Biddulph Festival in July and during the Christmas period.

The third group of events consists of Civic events held outside the town to which the Mayor and Mayoress were invited. Visits were made to Sandbach, Congleton, Leek, Cheadle, Uttoxeter, Stone and Newcastle (some on several occasions). At the present time with Local Government re-organisation very much on the agenda, I feel that it was important to raise the profile of our town amongst our neighbours and to maintain the good relations we have with them.

Turning back to Biddulph itself, I would like to highlight just four occasions which I will continue to remember most fondly:

The first two had been quite a while in the planning: one of them was my very first Civic duty in the town. This was to deliver a speech at the opening of the Hilda Sheldon memorial garden in Wharf Road. Having enjoyed the results of the untiring efforts of Hilda and her volunteers at Biddulph in Bloom for many years it was a real pleasure to contribute to this occasion.

Next, I'll mention an event which, like Hilda's garden, provides the town with a lasting legacy. This is the miners' memorial and opening up of the Town Hall frontage. It recognises the town's heritage and provides a very useful facility where events can be held in the future.

In contrast, neither of the other two occasions was anticipated when my mayoral year commenced. One was a “clash” of diary dates to hold a Civic Ball . As a result of this, the Volunteer Recognition and Civic Awards ceremony planned for February was enhanced to the great pleasure of all who attended. In the many photographs which were taken that day everyone looks so happy to be there: it was a great success!

The final occasion which I recall with such pleasure took place in March at the Town Council meeting when I was delighted to convey the Town Councillors' collective appreciation and congratulations to Sarah Haydon, our Chief Officer upon her receiving an award as "Town Clerk of the year 2025 – 2026" from the National Association of Local Councils.

My Mayoral engagements and other activities were greatly assisted by the help of others to whom I would now like to say "Thank You" : First of all, "Thank You" to the Mayoress, Joy who managed to accompany me on many occasions as well as being a very active "hands on" grandmother to three little girls.

"Thank You" to Chief Officer, Sarah for advice and support at meetings of the Town Council.

"Thank You" to Sue, as Mayor's secretary, who tirelessly kept the mayoral diary up to date and corresponded with various organisations to arrange events or confirm bookings.

"Thank you" to all the other Town Hall staff – in particular for assisting me with fitting and later removing the Mayor's chain and "Thank you" to John, the Town Crier, for advising his 32nd Mayor (that's me) about things when we attended functions together.

Best wishes also go to my successors : our new Mayor, the deputy Mayor and their consorts.

Looking back, I recall that, for what seemed a long time following the end of the Biddulph Urban District Council at the last re-organisation, the then almost new Town Hall seemed too big for its new role. However, during my year as Mayor, I have had occasion to visit the Town Hall regularly and see for myself just how well used it now is for a very wide range of activities as it approaches its 60th anniversary.

In the uncertain times of change which lie ahead, I'm sure that everyone – the Council's elected members and the Town Hall staff alike, will strive to maintain the success and good reputation of Biddulph Town Council.

Adrian Lawton, Biddulph Town Mayor (2025 – 2026)

The work of the Town Council

At the centre of the work of the Town Council is **kindness**. There is nothing complicated about that. We ask: What does the community need? How can we make situations better? What do we need to put in place to protect the areas and spaces that we love?

There are, of course, certain things that we must do, by law. We must be transparent, hold meetings at the right time and record them accurately, and ensure that we keep proper records of our activities.

We have a Five-Year Strategy and individual plans for lots of aspects of our work. We **plan for the future**, whatever that may hold. But, we plan with a degree of certainty. Whatever the new unitary authority looks like, the layer of town and parish councils is unchanged. The legislation affecting our governance arrangements has not been altered. We continue to be the layer of local government that is closest to the people in our community. There may be an opportunity for some services to be managed more locally, by the Town Council. We are very much treating this local government reorganisation as an opportunity for the town. There is nothing that we can do to impact the outcome of this, so we are looking (as we always do) to the future, and the potential this may bring.

In the year May 2025 to May 2026, there were nearly 7000 **interactions with customers** at the reception of the Town Hall. We had over 20,000 conversations on the telephone. Our aspiration in taking over the management of the Town Hall in 2020 was to ensure that the building was used and that people knew where to come with any enquiry they have. This certainly appears to be the case.

We host a wide range of organisations in the Town Hall, from craft and musical groups to those who support us to manage our day to day lives. We're always looking to work with new partners.

As the **Town Hall** enters its 60th year, we are delighted that the new Town Hall frontage has started to be well used for events. The creation of a town square means there is a meeting place for the community.

2025-26 has been another good year for **film in the Town Hall**. Our monthly Feast and Flicks cinema sessions are enjoyed by a wide range of people. Some come because it's a relaxed environment, and their specific condition means they need some extra support. Others come because it means they can eat with friends, and watch a film together. It is a really lovely group.

We are also really keen to provide cinema sessions during school holidays. All our film offerings are free, and there is always some form of free refreshments!

The Biddulph Scratch cinema sessions are growing in popularity. On the first Friday of the month, we show a range of films:

BIDDULPH SCRATCH COMMUNITY CINEMA SUMMER Movies

- FRIDAY 5TH JUNE HAMNET**
- FRIDAY 3RD JULY WUTHERING HEIGHTS**
- FRIDAY 7TH AUGUST MOTHERS PRIDE**

FREE Doors 6.30pm Full Bar Film at 7pm

01782 498480 | www.biddulph.co.uk | office@biddulph-tc.gov.uk

We couldn't do the work that we do without our partners. In 2025-26, the incredible 'Biddulph Works Together' partnership continued to grow. We fed over 7000 people, providing free food, support and warm spaces. These activities continue to support people in our community to tackle social isolation.

****NEW GROUP**** Biddulph Town Hall, From January 2026, we are trialing a new Board Game Cafe - 'Board in Biddulph'. This will take place on the 4th Tuesday of the month, free to attend.

Biddulph Works Together 2025-26 A Warm Welcome

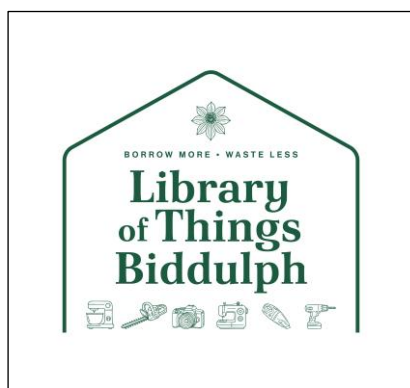

An important part of this project is the Toy Appeal. Each year, locations across the town provide drop-off points for gifts. These go to children and families that have been identified by community partners, social workers and schools. Over 100 children benefitted from this kindness; we are very lucky to have such a generous community.

As part of the Town Council's Biddulph Works Together events, we've created '**Board in Biddulph**'. This is a monthly board game café, and attracts people who maybe haven't previously come to other Town Council events. It has proved to be really popular, and we're keen to see where this goes.

The poster for 'Board in Biddulph' features a colorful graphic at the top with the text 'PLAY', 'Board in Biddulph', and 'Table Top Games Cafe'. Below the graphic, the text reads: 'Tuesday 24th March & Tuesday 28th April', 'Biddulph Town Hall', 'From 6.00pm', 'Monthly Tabletop Games Drop-In', 'Looking for a fun, relaxed place to play games? Board In Biddulph a monthly tabletop games club, open to all ages and all experience levels.', 'What's On?', 'Drop-in tabletop gaming - no booking needed', 'Demo tables to try something new', 'Bring your own games or use the space to play', 'Warhammer 40K table', 'Dungeons & Dragons', 'Intro & Beginners: 6:30 - 8:30pm', 'Intermediate: 7:30 - 9:30pm', 'Families Welcome. Open to all ages. Games for younger people. (Children under 16 must be accompanied by an adult)', 'Free refreshments & Warm food provided', 'Completely FREE', and 'Whether you're a seasoned gamer or curious beginner - come along and join in!'.

At the end of last year, we knew we had been successful in gaining funds for a '**Library of Things**'. This year, we've implemented this scheme. Anyone in the community can become a member and then loan items such as scarifiers, hedge cutters, wallpaper strippers, and even a chocolate fountain. All for very low prices. We are really pleased to make a positive environmental impact.

Our **Chain Reaction** project has gone from strength to strength. In October 2025, we held the first 'Ride the Lights' event, along Biddulph Valley Way. Bikes were covered in lights and reflectors- it was an amazing sight!

The purpose of the Chain Reaction project is to:

- Gift unused bikes from the Recycling Centres to families that need them- reducing waste.
- Encourage more involvement with arts and creative projects.
- Encourage people to learn about bike repair so that they can maintain their own bikes- resurrecting the 'Fix and Ride' project.
- Improve health outcomes by promoting cycling routes across the Staffordshire Moorlands.

- Promote sustainable travel options.
- Encourage investment in infrastructure, whether this be new/ improved routes or the installation of bike repair stations and racks.
- Work with partners to tackle anti-social behaviour by providing supervised activities.
- Develop a Moorlands-wide forum that can share experiences and ideas, ensuring that coordinated cycling activities continue beyond the period of this project.

We held two pre-loved bike sales during 2025-26, finding new homes for over 200 bikes.

There are more events planned in 2026.

We have embarked on some new and exciting partnerships in 2025-26. **Transforming the Trent Headwaters** is led by the Staffordshire Wildlife Trust. This is a landscape partnership project with a focus on nature and heritage, and we're keen to be involved to restore the landscape around the head of the Trent with the involvement of local communities.

We are also excited to be part of the **Know Your Place** project, as one of the Innovator organisations. This is a five-year youth-led

research programme focused on giving young people the platform, tools, and power to create meaningful change in their communities. We've been working closely with local children to understand and design projects. Our relationships with young people are important; they are the future of our town, and we want them to love where they live.

For the first time in 2025-26 we entered the **Cemetery of the Year Awards**. We came away with the Best New Entry and a Silver award in the Parish, Town and Community Council category. We were absolutely delighted!

We planted in the region of 900 **trees** in 2025-26, with the support of our amazing volunteers. We continue to look for suitable locations for new areas of woodland, or to enhance existing sites.

There have been so many incredible **events** during 2025-26. Here's just a selection of them:

Festival Launch Day- July 2025

VJ Day at 80- August 2025

Classic Vehicle Show- September 2025

Homegrown and Handmade- September 2025

Remembrance Sunday-
November 2025

Christmas Lights Switch-on-
November 2025

Chinese New Year-
February 2026

Volunteer Recognition and Civic Awards- February 2026

The Mayor said, about the day:

It is about the volunteers who give their time when no one is watching.

The community champions who step forward when something needs doing.

The quiet organisers, the litter-pickers, the fundraisers, the trustees, the helpers, the listeners, the carers.

You are the heartbeat of this community.

Too often, the true strength of a town is measured in buildings, budgets, or statistics. But I believe the measure of our community is found in its people — in kindness freely given, in service without expectation, and in pride in where we live.

Every hour you contribute, every event you support, every neighbour you help — it all adds up, and makes this such an amazing place to call home.

We have **new partners** at the Burial Grounds/ Springfield Road (grass cutting) and in the Town Hall bar. After competitive tender processes, they offer value for money good quality services, and we're looking forward to working with them.

We add information to the printed press, noticeboards and online, but a lot of detail about events and activities is shared via **social media**. In 2025-26, we had 3800 followers on Facebook, and almost a million views. We have nearly 700 followers on X and over 300 on Instagram.

Each year the Town Council allocates around £60,000 to support groups within our community. You can find more about the **grant schemes** here: <https://www.biddulph.co.uk/grant-awards-schemes/>

We have revised and reprinted the 'Clubs, Groups and Societies' booklet, which provides information about different activities that you could get involved with: <https://www.biddulph.co.uk/clubs-groups-societies-5/> (paper copies are available in the Town Hall).

Each month we publish a guide to all the activities that are taking place in the Town Hall. Pop into reception for the latest copy. You can also find more about what is happening within our town, by viewing the Town Guide.

At the **Burial Grounds**, 111 people were interred in 2025-26. We are looking forward to the development of the new Garden of Remembrance at the Woodhouse Burial Ground during 2026-27.

Our **allotment sites** continue to be full, with around 30 people on the waiting list.

Thank you to all those who supported us during 2025-26. Your help, encouragement and guidance is very much appreciated.
