FT1	Lets Go Banana's!	

Fairtrade Category – Let's Go Bananas!

We're proud to once again support the fantastic work of the Biddulph Fairtrade Committee, whose dedicated volunteers have helped Biddulph retain its Fairtrade Town status.

This year's Fairtrade category is all about one of the world's best-loved fruits...

Let's Go Bananas!

Bananas are an important Fairtrade product. By choosing **Fairtrade bananas**, you're helping to ensure farmers and workers receive a fair price for their hard work, enjoy safer working conditions, and can invest in their families and local communities.

So, we'd love you to **go bananas** and get creative!

Edible Entries

Why not bake or create something delicious using Fairtrade bananas? Ideas include:

- Banana bread
- Banana cake
- Banana muffins
- Banana cookies
- Banana flapjacks
- A family favourite recipe
- Or invent your very own unique banana creation!

Creative Entries

Or perhaps you'd rather create something inspired by Fairtrade bananas. You could make:

- A piece of artwork
- A photograph
- A handmade craft
- A textile or clothing item
- A sculpture
- Or anything else your imagination can dream up!

The only question is...

What can YOU do with a Fairtrade banana?

We can't wait to see your brilliant, imaginative and, hopefully, slightly bonkers banana-inspired entries!

Many thanks for supporting the Homegrown & Handmade Event 2026.
